Unterschiedliche geometrische Formen aus unbehandeltem Metall sind die Grundlage der einzigartigen Regale. Das moderne Design und die sauberen Linien dieser Regale verleihen Ihrem Zuhause ein cooles Industrie-Flair.

These unique floating shelves are made up of various geometric shapes of untreated metal. With a modern look and clean finish, these shelves will add an industrial flair to any room in the house.

Questo set di mensole modellate da lamiere in acciaio non trattato vanta un aspetto molto distintivo grazie alle diverse forme geometriche che lo compongono. Le sue linee pulite doneranno alla vostra casa un feeling moderno e industriale.
